

SHARE THE LOVE

(AND, RAISE LOTS OF DOUGH!)

Now you can make fundraising easy — with our delicious, all-natural chocolate chip cookies, **MADE WITH LOVE & CHOCOLATE CHIPS AT THE ARCT™**.

These cookie tins are guaranteed to sell-out fast, as they're made with pride and passion at The Arc of Eastern Connecticut — one of our micro-enterprise businesses that provides people with intellectual and developmental disabilities the opportunity to follow their culinary career dreams. This lets you double-down on knowing that something that tastes this good — also does so much good.

Each tin contains 24 individually-wrapped cookies — and have NO artificial colors NOR preservatives — in a beautifully-printed 7.25" x 2.75" keepsake tin. Plus, we provide everything you need to support your fundraising efforts — from order forms to a suite of marketing materials — making your fundraising effortless. You simply sign-up for **COOKIES FOR A CAUSE FUNDRAISING**, sell the cookies/collect payment, consolidate your orders on one form, place the order and then distribute the cookies to your supporters for super fundraising success.
